Full entry information is available at [www.henleytownregatta.org.uk](http://www.henleytownregatta.org.uk), but please note these key points:

- Senior events will be divided into bands, using Ranking Points as a guide. If you think your Ranking Points don't fairly reflect your potential, be sure to explain this to us BEFORE entries close on 27th July.
- Masters' events will be combined using standard handicap rules: Ranking Points will NOT be used.
- Doubling up within a division is at your own risk, including coxes and boat-sharing, and we make no adjustments to accommodate it. Do not even think about trebling up within a division.
- The draw takes place at Henley RC on 28th July.
- Entries must be made **and paid for** on BROE. **Entries unpaid by Close of Entries will not be included in the draw.**
- Alumni Eights must contain a minimum of 6 alumni of the relevant institution.
- Entries close at **12 noon on Saturday 27th July**. We do not accept late entries.
