

HENLEY TOWN & VISITORS' REGATTA

GENERAL SITE PLAN 2021

This is the general layout of the 2021 Regatta site at Temple Island Meadows: please note this is not our normal location. **All** vehicle traffic should approach the site via the top of Remenham Hill and Remenham Church Lane. There is no access via Remenham Lane from The Little Angel.

Assemble your boats in the trailer park, then follow the designated route to the boating area to go afloat. Boats may be stored during the day in the boating area, but you need to provide your own trestles: there will be no boat racks.

The Start is just below 'The Barrier' and the Finish is at Remenham Club. There are no crew or spectator facilities at Remenham Club or Upper Thames RC.
